**If you want to:**

- \*\*Work on becoming a better hitter
- \*\*Learn the proper mechanics necessary to pitch
- \*\*Develop fielding fundamentals and skills
- \*\*Meet and work with current Berea High School players
- \*\*Practice the proper way to catch
- \*\*Work one-on-one with the coaching staff from Berea High School
- \*\*Shake off the winter baseball “rust”
- \*\*Have Fun!!!

**Plan to attend the  
Berea Baseball  
Winter Skills Camps  
Held on  
December 13,20,and 27, 2009**

### **Camp Descriptions:**

*December 6, 2009— Hitting Camp*

You will work with current players, alumni, and the coaching staff of the Berea High School baseball team to develop the skills necessary to become a successful hitter. This camp will include a combination of teaching sessions and individualized work to help refine your batting skills. You can bring your bat and batting gloves if you have them.

*December 13, 2009— Pitching Camp/Catching Camp*

What does it take to become an accurate and effective pitcher? Learn the mechanics and fundamentals that will help to make you a good pitcher by attending this camp. Catchers will also work with members of the Berea High School baseball program to practice proper footwork, technique, and throwing. Bring your baseball glove!

*December 20, 2009— Fielding Camp*

Defense! Defense! Defense! Nothing helps a team more than having fielders who make routine and exceptional plays in the field. Attend this camp to work on the skills and fundamentals that will help you help your team in the field! The Berea High School baseball team and coaches will work with you in groups and individually to develop and implement these skills. Make sure that you remember to bring your glove!
